

PELLERGY

Flexible Bulk Wood Pellet Bin

Features of the Pellergy Flexible Bulk Wood Pellet Storage System

- Made of very strong and durable high-tech polyester fabric, which has been tested for many years in industrial and wood pellet applications
- Seven-fold safety for seams and fabric
- Simple and largely dust-free pneumatic filling
- Simple and quick assembly. Two workers require approx. 1.5 hours
- No formation of condensation with fluctuations in temperature
- Filled level visible from outside
- Manual Fill Port and Auger Box included
- Assembles with Locally-Available Laminated Veneer Lumber (LVL) Beams and 4 X 4 Posts¹
